

4 a communications network between the computer system and a user so that the
 5 user communicates with the computer system over the communications network to select
 6 a piece of music;
 7 means for retrieving from the database the selected piece of music; and
 8 means for transmitting the selected piece of music to the user over the
 9 communications network.--

3/1/05

Rule 1.124

1 --⁶⁶76. The system of Claim 75, wherein said communications network comprises
 2 a telephone network.--

1 --⁶⁷77. The method of Claim 75, wherein said communications network comprises
 2 a cable television network.--

REMARKS

Favorable reconsideration of this application is respectfully requested.

Applicant is submitting a new set of claims that Applicant believes distinguishes over the references cited by the Examiner in the parent application.

G0571-1100
